Welcome to the first seminar of 2008 focusing on this year's theme, Togakure Ryu, taught by Shihan Michael Pearce.

Michael moved to Japan in 1992 to study Budo Taijutsu directly under Grandmaster Masaaki Hatsumi, and has lived and trained in Japan for the last 14 years. He has trained in both Noguchi Sensei's dojo and the Bujinkan Hombu dojo. He earned the rank of Judan in Budo Taijutsu in 2003.

Shihan Pearce also holds an Okuden rank in Japanese dance under Kimitsu-Sensei (Hatsumi Sensei's wife Mariko) and a master's license in Bonsai from Nihon Bonsai Kyoshitsu Renmei.

Living and training in Japan for the last 15 years Pearce Shihan has acquired a unique insight into the Bujinkan.

**This will be a great seminar!**
